

# SALT CREEK BALLET DRESS CODE

## REQUIRED FOR ALL LEVELS

Uniform is required for all classes in which students are enrolled. Please double check your enrollment through Jackrabbit to avoid purchasing items for classes in which your student is not participating. Students may purchase pink tights and ballet shoes or tights and ballet shoes that match their skin tone. Students not already practicing pointe work will be assessed by the Artistic Directors and notified when they need to purchase pointe shoes. All leotards should be simplistic (no mesh), solid color, and camisole or capsleeve unless otherwise noted.
